Dear Mr. Pozner:

On 30 August 1985, I conducted inspections of your facilities on Wellington Road and Industrial Circle in Lincoln and your facility on Massasoit Avenue in East Providence in order to determine your compliance status with the rules and regulations promulgated pursuant to the Rhode Island Hazardous Waste Management Act of 1978.

As a result of these inspections, I determined that all three facilities are in compliance with the Rules and Regulations for Hazardous Waste Generation, Transportation, Treatment, Storage and Disposal.

Thank you for your cooperation. If you have any questions, please call me at 277-2797.

Sincerely,

Thomas A. Epstein,  
Senior Engineer  
Division of Air & Hazardous

Dear Mr. Brodd:

On 15 April 1985, I conducted an inspection of your facilities in Lincoln in order to determine your compliance status with the Letter of Deficiency issued to Hunt Chemical on 5 September 1984.

As a result of that inspection, I determined that Hunt Chemical is in compliance with the aforesaid enforcement action. Thank you for your cooperation.

If you have any questions, please call me at 277-2797.

Sincerely,
